TS-815 Powerful Android™ EPOS

bleep
EPOS is our business

It is designed to cope in the toughest of retail and hospitality environments, the TS-815 builds upon the technology behind its sister terminal, but further enhanced with the open platform of Android, to meet ever changing customer needs.

The optional 7-inch LCD customer facing video display can help to boost customer interaction and engagement, through relevant and targeted visual content.

The TS-815 is a cost effective, reliable, Android EPOS solution, rich in features and functionality, to cater for any environment.

Add-on modules:

- Biometric Fingerprint Scanner
- RFID Reader Module (125 KHz or 13.56 MHz MIFARE)
