

TS-910 Beautifully Compact Yet Totally Versatile

bleep
EPOS is our business

The Bleep TS-910 is a perfect fit for retail and hospitality markets alike, with all the features you would expect from a Bleep Terminal but with a more compact and modern design. Available in either cool white or matte black, optional add on modules allow each terminal to be custom made to suit your environment and needs through added functionality.

Integrated add on modules include:

-  Fingerprint scanner
-  RFID technology
-  Internal Keyboard
-  Omni-directional laser scanner
-  58mm Thermal Receipt Printer
-  7" LCD Customer Display
-  Magnetic card reader

Specifications:

- 10" 1024x600 WXGA LCD Panel
- AMT Touch Panel
- Intel® Atom™ Processor D525 (Dual Core, 1.8 GHz)
- GMA 3150 on CPU Graphics
- 64 Bit Instruction Set
- Memory 4GB Max (DDR2-667)
- Intel® NM10 Express Chipset
- Dimensions (mm): W:250 x H:300 x D:220

- 3 x Internal Serial RS232 Ports
- 6 x USB 2 Ports
- 2 x Cash Drawer (24v x 1 Port)
- 1 x Gigabit LAN
- 1 x VGA Port

TS-910 Beautifully Compact Yet Totally Versatile

As with the TS-915, the TS-910 also supports two removable module bays which can be mixed and matched between the omni-directional laser scanner, the thermal mini-printer, RFID reader modules or a keyboard, allowing for unrivalled flexibility from a compact footprint.

The vivid ten inch widescreen display is perfect for the retail trade or operations where a smaller footprint is desired, without limiting features.

The TS-910 boasts a compact design, rich in features and functionality, with an awe-inspiring array of peripherals, which are a perfect match for any industry.

Add-on modules:

- Biometric Fingerprint Scanner
- 20 Key POS Keyboard
- RFID Reader Module (125 KHz or 13.56 MHz MIFARE)
- USB GPRS/3G/Wi-Fi Module
- Integrated Omni-directional Laser Scanner
- Integrated Digital Advertising (7" Widescreen LCD Customer Facing Display)
- Integrated 58mm Thermal Receipt Printer
- Magnetic Card Reader (1/2 Track)
- i-Button Reader Module
- 2 x 20 Character VFD Customer Display Module (Blue or Green)
