TS-915 Impressive all round

bleep
EPOS is our business

Whether at a Retail checkout or, customer facing in a trendy bar, the new TS-915 from Bleep is sure to catch the eye, with cool and sharp black and white lines and optional rear seven inch video display, your customers cannot fail to be impressed.

The sleek and stylish, yet space saving design, features two removable front panels which can accommodate an omni-directional laser scanner and/or an internal RFID reader/writer.

The TS-915 sets a new benchmark and best in class standard, which can be imitated but never equalled.

Add-on modules:

- Biometric Fingerprint Scanner
- RFID Reader Module (125 KHz or 13.56 MHz MIFARE)
- USB GPRS/3G/Wi-Fi Module
- Integrated Omni-directional Laser Scanner
- Integrated Digital Advertising (7" Widescreen LCD Customer Facing Display)
- Integrated Security Camera
- Magnetic Card Reader (1/2 Track)
- i-Button Reader Module
- 2 x 20 Character VFD Customer Display Module (Blue or Green)
